DRI Project Updates

Happy Fall everyone! Can you actually believe that fall is here? Where did the summer go? We had a busy summer here at the Southern Tier Community Center.

We have almost completed our Endicott Downtown Revitalization Project. No more leaks inside the building thanks to our new roof, and our Dance & Fitness room is finally open. We also have new windows and we can actually see out of them!

Sensory Gym

Our Sensory gym is the final part of the project! The room is refinished and ready to be filled with sensory gym equipment. This space is designed to support children with sensory processing challenges by providing opportunities for play, movement, and growth in a welcoming, inclusive environment. We welcome your ideas and recommendations as we plan this exciting community project. Your input can help make a meaningful difference! If you or someone you know have any thoughts, ideas, or questions, please call 607-444-3354 and ask for Nikki Post or Eric Kimble.

Summer Camp Highlights

Summer camp was a huge success! We had over 90 campers throughout the nine weeks, and they spent their days working on engaging STEM projects, creating art, and doing fun activities. Kids made slime, learned to cook, made sensory bottles and tried new, hands-on experiences. One camp highlight was the Culinary experience with SUNY Broome Chef. Working with the chefs, children made mini pies, brownies, and sweet breads. The children had so much fun learning a valuable skill! Another fun day was our trip to Dick's House of Sport, where kids conquered the rock climbing wall, practiced their swings at the golf and batting simulators, and had fun playing on the field.

Look Back: STCC BBQ

Our STCC BBQ was a big hit! Thank you to all of our sponsors, we are grateful for each and everyone of you as well as our community and members!

Back to School!

A huge thank you to Visions Federal Credit Union, BAE, and the Urban League for helping our youth start the school year prepared and ready to learn. Your generous donations of backpacks and school supplies made a meaningful difference for the families we serve.

We are incredibly grateful to live and work in such a supportive community. When our community comes together, our children feel the difference.

Fall into Christmas *HOLIDAY CRAFT & VENDOR FAIR*

We weren't quite sure what to expect when we launched our first-ever *Fall Into Christmas* event, but our community certainly showed us! After making phone calls, reaching out to crafters, and spreading the word on social media, we were thrilled to welcome more than 350 people through our doors. It was wonderful to see our community come together to shop, mingle, socialize, and support local crafters and vendors. The energy throughout the event was incredible, and we are so excited to bring even more festive cheer this year! **Support local artisans and small businesses this holiday season at *Fall into Christmas* Holiday Craft & Vendor Fair on November 7, from 10 am to 3 pm at STCC!**

We're looking for more crafters, artists and vendors to join us and help make this event even bigger and better. Spread the word and encourage your favorite local makers to be part of the fun!

Interested Vendors please contact Myra Corson at 607-444-3354 ext.3211, or mcorson@chowc.org.

Upcoming Events

- **October 22** Trunk or Treat
- **November 11** *Fall into Christmas* Holiday Craft & Vendor Fair
